Tap and Go machines :

There is a Tap and Go machine at the back of the church to allow you to contribute to the parish. Donations made using this machine remain in the parish.

The other Tap and Go machine at the back of the church is to support the priests of the diocese and the Share diocesan services.

Thank you for your ongoing generous support.

Thought for the day

The handing on of the faith—evangelisation to use a technical term—is the task of everyone in the church today: family members, catechists, pastoral workers, the ordained. It is our great challenge and the one thing necessary. And yet, who dares today to take up such a role? Our Gospel portrays key dimensions: the sense of being sent or called, the choice of life-style based on that of Jesus, the confidence to face not being made welcome and yet to continue for the sake of the joy of the Gospel.

God of the Good News, you spoke your word and disclosed your heart in Jesus of Nazareth. Help us who are called to take to heart the word of truth, the Gospel of salvation. May we know the action of the Spirit, and so inspired may we inspire others as well.

"The Gospel is proclaimed together, as a community. To do so, we must be modest in the use of things, sharing resources and gifts, so that we may be free and everyone may have what they need to live with dignity and contribute to the mission."
