### Thought for the day

How did any of us make the journey towards faith in Christ? No doubt a great part of it is simply what we received—usually from family. At some point, did I make a conscious choice? Perhaps at other times, I felt like walking away from the faith project? What kept me going? Did a more personal ownership of faith result? Perhaps I felt the intuition of John O'Donahue, "Faith is helpless attraction to the divine." In spite of everything, in spite of myself, somehow it is part of who I am.

Mysterious God, we are those who have seen and at the same time not seen. Help to look beyond the simple gifts of each day to see you the giver behind—and in—every gift. Help us embrace the grace that we may know true blessedness in believing.

*Fr. Kieran O'Mahony*
